"BRITISH COLUMBIA IMMIGRATION ACT, 1908."

Regulations.

When an officer examines a person whom he shall suspect of being a "Prohibited Immigrant," he shall first ascertain whether such person is exempt from the provisions of the Act as provided for in Section 3, and if the officer determines that such person is exempt, he shall issue to him a certificate.

2. If the officer determines that such person is not exempt, he shall then ascertain whether such person is coming into the Province for the purpose of permanent residence, or is merely passing through the Province while travelling to some other country or some other Province of Canada.

If the officer determines that such person is a traveller, he shall, upon production of such person of his ticket to a destination outside of the Province, or other satisfactory evidence, issue to such person a certificate.

3. If an intending immigrant is neither exempt under Section 3 of the Act, nor a traveller, the officer shall apply the educational test as provided for in Section 4 of the Act; and if such person complies with the requirements of said section, the officer shall issue to such person a certificate.

4. The certificate mentioned in the preceding three paragraphs shall be in the following form:—

“*An Immigration Officer.*”

5. If the officer determines that a person is not exempt from the provisions of the Act, is not a traveller, and cannot comply with the educational test as provided for in Section 4 of the Act, he shall prevent such person from entering the Province, or, if such a person is found within the Province without a certificate of exemption, he shall proceed as provided for in Section 5 of the Act.

6. An officer may take such steps as he deems necessary to satisfy himself that a person admitted into the Province as a traveller leaves the Province for his destination without unnecessary delay.

7. All officers acting under the provisions of the Act shall make a return to the Superintendent of Provincial Police on the last day of each month of all certificates issued under the Act during the month.

DESPATCHES, ETC.

THE ALBERT MEDAL.

REGULATIONS AS AMENDED BY ROYAL WARRANT ON 5TH JUNE, 1905.]

THE Albert Medal was instituted by Royal Warrant dated 7th March, 1866, for the purpose of rewarding, by mark of Royal favour, heroic actions performed on sea or land.

This Warrant was amended by others bearing date 12th April, 1867, 30th April, 1877, 13th September, 1881, 12th March, 1891, and 24th March, 1904, by Royal Warrant 5th June, 1905, the following rules and ordinances were established:—

I. It is ordained that the Decorations “For Gallantry in Saving Life at Sea” shall be styled “The Albert Medal of the First Class” and “The Albert Medal of the Second Class.”

II. It is ordained that “The Albert Medal of the First Class,” when conferred for gallantry in saving life at sea, shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V and A, interlaced with an Anchor erect in gold, surrounded by a Garter in bronze, inscribed in raised letters in gold, “For Gallantry in Saving Life at Sea,” and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

III. It is ordained that “The Albert Medal of the Second Class,” when conferred for gallantry in saving life at sea, shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and shall be suspended from a dark blue riband of an inch and three-eighths of an inch in width, with two white longitudinal stripes.

IV. It is ordained that the Medals shall only be awarded to those of Our faithful subjects and others who, in saving or endeavouring to save the lives of others from shipwreck or other perils of the sea, have endangered their own lives, and that such award shall be made only on the recommendation to Us by Our Principal Secretary of State for the Home Department: Provided, always, that the preliminary steps and inquiry concerning the award of either Albert Medal inscribed “For Gallantry in Saving Life at Sea,” shall, if the award be to any one belonging to the Royal Navy or the Royal Marines, be with the Lords Commissioners of the Admiralty, and in other cases with the President of the Board of Trade.

V. It is ordained that the names of those persons upon whom We may be pleased to confer either of the Albert Medals inscribed “For Gallantry in Saving Life at Sea,” shall be published in the *London Gazette*, and that a Register of the names of such of these persons as belong to the Royal Navy or the Royal Marines, shall be kept in the Office of the Lords Commissioners of the Admiralty, and a Register of the names of the persons not belonging to the Royal Navy or the Royal Marines upon whom We may be pleased to confer either Medal inscribed as aforesaid, shall be kept in the Office of the Board of Trade.

VI. It is ordained that the Decoration for gallantry in saving lives endangered otherwise than by perils of the sea, shall be styled “The Albert Medal of the First Class” and “The Albert Medal of the Second Class,” and shall be inscribed “For Gallantry in Saving Life on Land.”

VII. It is ordained that “The Albert Medal of the First Class,” when conferred for gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letters V and A, erect in gold, surrounded by a Garter in bronze, inscribed in raised letters of gold, “For Gallantry in Saving Life on Land,” and surrounded by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

VIII. It is ordained that “The Albert Medal of the Second Class” when conferred for gallantry for saving life on land, shall consist of the like shaped enamelled badge, save and except that it shall be entirely worked in bronze, instead of gold and bronze, and shall be suspended from a crimson riband of an inch and three-eighths of an inch in width with two white longitudinal stripes.

IX. It is ordained that the names of those upon whom We may be pleased to confer either of those decorations shall be published in the *London Gazette*, and that a register thereof shall be kept in the Office of Our Principal Secretary of State for the Home Department.

X. It is ordained that the Medals shall only be awarded to those of Our faithful subjects and others who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at fires, or other peril other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

The following Rules and Ordinances are ordained for the government of the Decorations, whether awarded for Gallantry in Saving Life at Sea, or on Land:

XI. It is ordained that "The Albert Medal of the First Class" shall be confined to cases of extreme and heroic daring, and that the "Albert Medal of the Second Class" shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve "The Albert Medal of the First Class."

XII. It is ordained that each Medal shall be suspended from the left breast.

XIII. It is ordained that any act of gallantry which is worthy of recognition by the award of the Albert Medal but is performed by one upon whom the Decoration has already been conferred, may on a recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a bar attached to the riband by which the medal is suspended; and for every such additional act an additional bar may be added.

XIV. In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial warrant under Our Sign Manual, be forthwith erased from the register of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. TRESPASS.

1. No person shall locate or settle upon any lands within a Dominion Forest Reserve hereinafter referred to as a Forest Reserve; and no person shall use or occupy any of such lands, except under the provisions of the Dominion Forest Reserves Act, hereinafter referred to as the Reserves Act, or of these or any future regulations made thereunder.

2. Except as provided by the Reserves Act, no person shall enter or pass into, across or through any Forest Reserve without special permission from the Superintendent of Forestry or from the officer in charge of that Reserve.

3. Every person entering or passing into, across or through any part of a Forest Reserve shall, when requested so to do by any Forest Ranger or any other officer having charge of or jurisdiction within such Reserve truthfully answer any enquiries made to him by such Ranger or officer, as to his name, his post office address, the duration or the proposed duration of his stay in the Reserve and the portion thereof he intends to visit or has visited; and shall give other information of a similar nature as such Ranger or officer may ask him for.

5. No person shall remove, deface, or destroy any notice posted in or near a Forest Reserve in regard to the prevention of forest fires, or any other matter relating to the administration of Forest Reserves, or any post, or other mark indicating the boundary of a Forest Reserve.

Fires.

6. No person shall at any time set out or cause to be set out or started any fire in the open air in any Forest Reserve, except for the purpose of cooking, obtaining warmth, or for some industrial purpose permitted by the Minister of the Interior to be carried on; and

every person who makes or starts a fire in the open air for cooking or camping purposes shall—

7. Any person who throws or drops any burning match, ashes from a pipe, lighted cigar or any other burning substance, or who discharges any firearms within a Forest Reserve, shall completely extinguish before leaving the spot the fire of such match, ashes of a pipe, cigar, wadding of a firearm, or any other burning substance.

8. Every person cutting timber in a Forest Reserve, and every person located in or travelling or passing through a Forest Reserve shall be required to comply with all the provisions of any Act or Regulations established by the Government of the Dominion, or of any province or territory in which the Reserve is situated, for the protection of forests against fire, and any breach of such Act or Regulations shall be held to be a breach of the Regulations hereby established, and shall render the person making such breach liable to any penalty provided by the Reserves Act.

Every locomotive steam engine passing on a railroad, through a Forest Reserve, or through any part thereof, shall, by the company or authority using the same, be provided with and have in use all the most improved and efficient appliances to prevent the escape of fire from the furnace, or ash-pan or from the smoke-stack of such engine; and it shall be the duty of every engineer in charge of any such engine to use all necessary means and appliances to prevent the escape of fire from any such locomotive.

12. Every railway company operating a railroad by the power of steam in the provinces of Manitoba, Saskatchewan, or Alberta, shall, where such railroad passes through a Forest Reserve, establish and maintain along the line thereof of such points and for such distances as may be decided by the Minister of the Interior to be necessary, on each side of such line of railroad and of such width not more than three hundred feet from the centre of the railroad as may be decided by the Minister, a

good and sufficient fire-guard to be made by ploughing the land to the extent of not less than fifteen feet in width on the side of the fire-guard farthest from the railroad and by burning or otherwise freeing from inflammable material the spaces between such ploughing and such line of railroad: Provided, however, that no fire shall be started for the purpose of clearing such fire-guard until three days' notice in writing has been given to the Fire Ranger in charge of the Forest Reserve.

Mining.

14. No person shall prospect for minerals within a Forest Reserve except by authority of a permit issued in that behalf by the Superintendent of Forestry, for which a fee of ten dollars shall be charged. Such permit shall run for not more than twelve months from the date of issue, and shall be forfeited and void upon non-compliance with its terms, or upon any breach of these regulations or of the Reserves Act.

15. No lease or license of lands for mining purposes granted in a Forest Reserve shall convey any right to the timber upon such lands, but timber for mining purposes may be acquired under the regulations established in that behalf. The lessee or licensee shall be permitted to clear of timber only such areas as are approved by the Superintendent of Forestry, and shall be required to observe the provisions of these regulations and of the Reserves Act. Every lessee or licensee shall, when required so to do by the said Superintendent cut and clear such fire lanes as the Superintendent may deem necessary for the protection from fire of the timber on the said leased or licensed areas, or any lands adjoining the same within a Forest Reserve.

16. No mining operations of any kind shall be begun or resumed in a Forest Reserve without the consent of the Minister of the Interior in writing being first obtained. The application for such consent shall specify the lands upon which it is proposed to begin or resume mining operations, the nature and extent thereof, the number of men to be employed, the buildings to be erected, and such other particulars as the said Minister may require.

Grazing.

17. No horses, cattle, sheep, goats, or pigs shall be allowed to run, or to graze, or browse within a Forest Reserve: Provided, however, that on a report from the Superintendent of Forestry that the granting of such privilege will not injure the reproduction of the timber, an actual settler in the vicinity of a Forestry Reserve in the Province of Manitoba, Saskatchewan, or Alberta, may be permitted by the Minister of the Interior to graze within such reserve any horses and cattle of which he is the actual owner, but not to exceed in any one case fifty head.

20. In case two or more applications are received on or before the first day of April in any year for permits to cut hay on one parcel of land, the officer in charge of the Forest Reserve shall have authority to arrange a division among the applicants.

21. No permit shall be granted for a period greater than one year, and no permit shall be

transferrable. The cutting of hay shall not be permitted before the twenty-fifth day of July in any year, or such other date as may be fixed by the officer in charge of the Forest Reserve.

22. Any actual settler residing in the vicinity of a Forest Reserve may be granted a permit for hay for his own use up to forty tons, on paying therefor at the rate of ten cents per ton.

(b) Permits may be granted to cut hay for barter or sale, or for any quantity over forty tons at the rate of fifty cents per ton, but such permits shall not be granted until after the twenty-fifth day of July, in any year or such other date as may be fixed by the officer in charge as provided for in the preceding clause.

And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars.
